For your phone

Features and Options

• With the Clearwire High-Speed Internet and Voice bundle, you can subtract all of those extra charges from your phone bill each month. Because our low monthly rate includes:

- Remotely manage your phone service via the web
- Receive voice mail via email
- Block unwanted calls
- Be reachable anywhere with a single number
- Unlimited long-distance calls to the U.S., Canada and Puerto Rico
- Great international rates

- + **Setup is simple.**
- + **Talk more. Pay less.**
- + **Features you'll use.**
- + **Superb call quality.**
- + **Two services. One bill.**
- + **911 Availability.**
